# SOLAR MEETS GLASS

**4<sup>th</sup> Industry Summit for Markets, Costs  
and Technology**

**20 – 21 October 2014**

Now in its fourth year, Solar meets Glass is the key international event connecting the solar and glass industries. The collaboration between Messe Düsseldorf and OTTI (Ostbayerisches Technologie-Transfer-Institut e.V.) will now reach more international industry professionals than ever before. Presentations covering many different perspectives promise to capture the audience throughout this premium two-day event.

Solar meets Glass takes place again as part of glasstec, the world's leading trade fair for the glass industry, from October 21 - 24, 2014 in Düsseldorf.

## FEATURED TOPICS:

- Industry and Market Updates
- Trends and Emerging Markets
- New Business Models for the Solar and Glass Industry
- BIPV Trends and Implications
